Recreational Gymnastics

We run monthly sessions, two throughout the year.
You can start at any time during these sessions.

Session 1: January – May

Session 2: June - July

Session 3: August – December

*These sessions have different schedules and require separate enrollment (no extra fee)

Enrollment

When signing up for classes, the yearly membership fee (anniversary fee) and first month's tuition are due. Enrollment in our program for a Session means that your child will take the same class for the entire session unless otherwise noted. This means that ALL students are automatically enrolled for future months in the Session unless the office receives written notice (see withdrawal policy). Automatic Enrollment stops at the end of the Session. You must re-register for the next Session (no extra fee).

Registration

All registrations are done online! You can start anytime!!

Once your child is registered they will be automatically re-enrolled for the same class on the same day/time every month of the Session.

Annual Membership Fee - \$30 per student for the year

Make-up Policy

Your child may take up one make-ups per month for a missed class.

However, missed classes cannot be transferred to future months/session in place of tuition. There are no tuition adjustments for missed classes. If your child is ill or has a pre-planned vacation with sufficient verification we will issue you additional make-ups.

This Policy is strictly enforced because of the nature of the sport of gymnastics.
It is unsafe to continually switch groups and instructors.

All make-ups are done on designated make up days.

You must register through our parent portal for a make up.

If your child would rather attend an open gym day instead you can request a make-up slip for open gym.
